-Middle School Choir &

-Kwasi Gyesaw (F1A)

## VOTE OF THANKS

Renfred Eduku (C5W)

## SCHOOL ANTHEM

Middle School Choir

## CLOSING PRAYER

Nditsi Okudzeto Ablakwa (C6E)

# School Hymn

Who would true valour see  
Let him come hither;  
One here will constant be  
Come wind, come weather  
There's no discouragement  
Shall make him once relent  
His first avowed intent to be a pilgrim

Whoso beset him round  
With dismal stories  
Do but themselves confound  
His strength the more is  
No lion can him fright  
He'll with a giant fight  
But he will have the right to be a pilgrim

Hobgoblin nor foul fiend  
Can daunt his spirit:  
He knows, he at the end  
Shall life inherit.  
Then fancies fly away,  
He'll fear not what men say;  
He'll labour night and day  
To be a pilgrim.

# School Anthem

**We are TRRS  
Pacesetters of our Time  
Our Trinity is Academic Excellence,  
Pastoral Care, Activities  
The Ethos of our School**

**Discipline, Responsibility  
Excellence, Morality  
Leadership, Integrity  
These are the Pillars of our School  
The Pillars of our School  
The Pillars of our School  
Excellence is our Hallmark**

**Pastoral Care, Activities  
The Ethos of our School**

# OUR YEAR IN REVIEW

RELIVE THE MOMENTS THAT DEFINED OUR YEAR

# CLASS 5 YEAR IN REVIEW

This year marked an exciting transition into Middle School for Class 5, beginning with a mix of anticipation and nervousness. Thanks to a warm welcome and supportive orientation, we quickly settled into our new environment, growing in confidence and independence as the year progressed.

Academically, the year challenged us to think more deeply, work independently, and strengthen key skills in reading, writing, and numeracy.

Beyond the classroom, the year was filled with memorable experiences. Early highlights included the lively Friday Chill sessions, which fostered friendships and a strong sense of community. We also rose to the challenge of Progress Assessments and celebrated our achievements with confidence.

A standout moment was the Inter-House Athletics Competition at the University of Ghana Stadium, where teamwork, excitement, and school spirit were on full display. Educational field trips, particularly to the Ghana Meteorological Station, enriched our learning by connecting classroom knowledge to real-world applications.

# CLASS 6 YEAR IN REVIEW

This year has truly been an exciting and unforgettable journey for us in Class 6. One of the biggest highlights was the Inter-House Sports Competition, where we proudly represented our houses with energy, teamwork, and great sportsmanship. We also enjoyed moments to relax and bond during Friday Night Chills, which gave us the chance to have fun and showcase our hidden talents. Academically, we pushed ourselves further through the Inter-House Mathematics and Science Competitions, sharpening our problem-solving skills. Participating in the Queen's Commonwealth Essay Competition also gave us the opportunity to express our ideas on global issues.

# CLASS 6 YEAR IN REVIEW

We grew in confidence through assembly presentations and the Nkyinkyim Drama and Poetry Programme, where we took centre stage and expressed ourselves creatively. Beyond the classroom, enriching experiences such as our visit to the Holy Spirit Cathedral helped deepen our understanding of the world around us. Looking back, this year has helped us grow stronger, wiser, and more united. We are proud of all we have achieved and are grateful to our teachers, parents, and the school community for their constant support. As we move forward, we do so with confidence and excitement for what lies ahead.

# FORM 1 YEAR IN REVIEW

This year has been an unforgettable journey for us in Form 1. We began the year adjusting to a new environment, but quickly found our confidence as we settled into school life.

One of the most exciting highlights was our educational trips, which brought learning to life. Visits to EPack Flexible Packaging, the Sikh Temple, and Ussher Fort gave us meaningful real-world experiences and deepened our understanding of production, culture, and history.

Beyond the classroom, we created lasting memories through activities such as Inter-House Sports Day, where we demonstrated teamwork and school spirit. The Cyberbullying Awareness Campaign helped us grow as responsible digital citizens, while Friday Chills provided opportunities to relax, bond, and build friendships. As we move forward, we do so with gratitude, confidence, and excitement for the challenges ahead.

# FORM 2 YEAR IN REVIEW

This year has been a remarkable journey for us in Form 2. It has been a year that not only prepared us for Senior School but also shaped us into more independent and thoughtful learners.

Some of the most memorable moments came from our experiences beyond the classroom. Our trip to Kumasi, complete with a sleepover, allowed us to bond and create lasting memories. Visits to the National Mosque and Ussher Fort enriched our understanding of culture, history, and the world around us.

# CLASS OF 2026 GRADUATION SERVICE PROJECT

“Young Fighters, Big Dreams.”

These four words became the heartbeat of our final year at The Roman Ridge School and the inspiration behind our Graduation Service Project.

When the time came to choose a cause, the decision felt almost natural. The Class of 2025 had begun a meaningful partnership with Lifeline for Childhood Cancer Ghana, and we knew we were not ready to let that story end. Instead, we chose to continue the journey, determined to deepen the impact and bring hope to young fighters facing battles far greater than their years.

Our efforts began in October 2025 with a clothes and toys drive, collecting items that brought comfort, warmth, and moments of joy to children undergoing treatment. Momentum quickly gathered. A bake sale transformed classmates into bakers and supporters into donors. The Sponsored Walk united the entire school community, turning every step into a contribution towards a worthy cause. At the Christmas Bazaar, our games bar became one of the most vibrant attractions, combining fun with fundraising. Throughout the year, pledge cards quietly enabled parents, teachers, staff, and friends of the school to contribute in their own meaningful ways.

# CLASS OF 2026 GRADUATION SERVICE PROJECT

By February, we had achieved something we scarcely dared to imagine. We had raised GH¢75,000, reaching our target and becoming the fastest graduating class in TRRS history to do so.

These funds will go towards providing essential hospital equipment—resources that may not always make headlines, but which make a profound difference in the treatment, care, and comfort of children fighting cancer.

To every parent, teacher, member of staff, and student who supported this cause—whether through a coin, a cake, a kilometre walked, or a pledge signed—we extend our deepest gratitude. Your generosity transformed a vision into reality.

As the Class of 2026 prepares to leave TRRS, we do so with the reminder that big dreams do not always begin with grand gestures. Sometimes, they begin with a single step, a simple act of kindness, or a quiet decision to help.

And sometimes, those small acts become the reason a young fighter dares to dream bigger.

Thank you.
